The business of the first half of the month, in consequence of the cholera, and general dullness of trade, was quite light, and below that of last year, but the last two weeks have shown a large improvement.

Mr. I. Newton Perkins has been elected President pro tem. of the Illinois Central Railroad Co. Mr. Perkins is a very valuable accession to the management of this Company.

Mr. Nicholas Dean was, on Friday, elected a Director of the Harlem Railroad Company, and will probably, during the week, be elected President, vice Mr. Wetmore, who will resign.

The exports of the week exclusive of specie were \$16,795, including

The Imports for August show an increase of about \$2,000,000, of which \$1,900,000 has been warehoused.

A very large proportion of the present imports are consignments on foreign account, for which the remittances will be very much, 25 to 50 per cent below the invoice prices, so that in view of payments abroad, the imports of the year are in fact no doubt below those of last year. The aggregate imports since January show a remarkable coincidence with the same period of last year. The warehoused goods show a considerable increase. The total amount of Dry Goods thrown on the market in August, was \$11,882,224 against \$9,932,215. The total amount entered was \$11,599,088 against \$9,926,386. The total amount thrown on the market for eight months was \$64,947,964 against \$60,500,986. The total amount entered was \$66,845,001 against \$67,349,116.

The exports of merchandise for August show an increase of about \$260,000 over August last year, which was unexpected. The scarcity of produce had led to the opinion that the exports would show a decline.
